**INAMLLC.am**  
ARMENIA ONLINE!

**inAM<sup>2</sup> LLC** represents a family of websites & applications that provide a wide variety of services in the Marketing, Sales & Design sectors. Founded in 2022, inAM<sup>2</sup> LLC has already launched several of its platforms.

Our **MISSION** is to build a portfolio of 10 to 20 websites & applications in the inAM<sup>2</sup> LLC family, that provide a variety of services and target different industries, audiences, and interests. This would create the ultimate network of online platforms that provide a wide exposure and a strong online presence.

Our ultimate **VISION** is to enrich the online world of Armenia with multiple user-friendly and creatively designed websites and applications that simply supply the needs of the Market and/or enrich the different options already available, hence enhancing the users' online experience and increasing their online choices.

An aerial night photograph of a city, likely Las Vegas, with its lights glowing against the dark sky. In the background, a range of mountains is silhouetted against a sunset or sunrise sky with a gradient of orange and blue. The city lights are concentrated in the valley, with some larger buildings and structures visible. The overall mood is serene and expansive.

*Looking forward to our Collaboration!*
